## E. P. Miller, One Of Furniture Factory Founders And Former Associate Judge, Dies At 89

Edward P. Miller, 89, one of the founders of the Gettysburg Furniture factory, president of the Hanover Cabinet company, and former Adams county associate judge, died this morning at 12:15 o'clock at his home, 150 York street, of infirmities of age.

Born near York, a son of the late Henry and Rebecca Gladfelter Miller, he moved to Gettysburg 45 years ago. As a young man he resided in Abbotstown and was postmaster and operated a general store there.

**Treasurer of Company**  
In 1906 he moved here and has resided here since. For several years he was a member of the firm of the Gettysburg Department store. He joined the late C. S. Reaser in organizing the Gettysburg Furniture company about 1910 and until the time of his death was treasurer of the Gettysburg Furniture company.

He was president of the Hanover Cabinet company and a member of the board of directors of the Reaser Furniture company.

A member of St. James Lutheran church, he served many years on the church council and had been superintendent of the Sunday school. He formerly was president of the Adams County Sunday School association and a member of the board of directors of the Lutheran Theological seminary and president of the Gettysburg Building and Loan association.

**Funeral On Tuesday**  
He had been first vice president of the Gettysburg National bank and was a member of the board of directors of the Warner hospital and the board of directors of the Gettysburg Civic Nursing association.

He served two terms as associate judge of Adams county.

Surviving are his wife, the former Miriam J. Baker, to whom he would have been married 63 years on December 23; two children, Dr. G. E. Miller, Baltimore; Mrs. W. Raymond Sammel, Gettysburg; two grandchildren, Edward A. Sammel, Flagstaff, Ariz., and Mrs. Paul O. Dodge, Iowa City, and a great-grandchild, Paul Edward Dodge.

Funeral services Tuesday afternoon at 2 o'clock from the Bender funeral home with his pastor, Rev. Dr. Ralph R. Gresh, officiating. Interment in the family mausoleum at Evergreen cemetery.

## EAGLES DONATE \$1,250 TO CHEST

Gettysburg Aerie No. 1562, Fraternal Order of Eagles, voted a contribution of \$1,250 to the Community Chest drive, at a regular meeting of the lodge held in the clubrooms on Chambersburg street Friday night.

Russell Staley, president, presided. C. David McCullough, chairman of the Damon Runyan cancer fund drive, said a report on the proceeds of the benefit dance Thursday evening was not complete. Two new members were accepted, Earl V. Marker and Donald Bohn.

Plans were discussed for the annual Halloween dance to be held at the clubrooms Tuesday night, with prizes for those in costume.

## LOCAL SOLDIER GETS NEW POST

Corporal Richard E. Hess, 22, son of Mr. and Mrs. Charles A. Hess, 330 South Washington street, has been assigned to the Public Information Section of General Mark W. Clark's office of the Chief of Army Field Forces, the organization responsible for the state of training and combat readiness of individuals and units of the army.

Corporal Hess returned from a two-year tour of duty in the Far East command last August. He served as editor of the post newspaper, Isle Tell, for the Eta Jima school command on the island of Eta Jima off the southern coast of Japan. He attended Gettysburg high school from 1943 until 1947, and received his high school diploma through the United States Armed Forces Institute during his first enlistment in the army, 1947-48. He attended Shippensburg State Teachers college for a year and then enlisted in the army in September, 1949.

He has been awarded the Korean Service medal for duty in the Korean theater, and the Japanese Occupation medal.

Sergeant Joseph L. Hess, United States Marine Corps, a brother, is serving in Puerto Rico.

## MEN'S CHORUS IS TV WINNER

The Littlestown Men's chorus was one of the two winners on the program "Star Discovery Time" telecast over station WBAL-TV, Baltimore, Thursday evening from 10:30 to 11 p.m. The program consisted of five competing acts and it is customary to select only one winner, but two winners were chosen because one of the previous winners will be unable to appear for the semi-finals in the near future. The Men's chorus entertained with the selection "You'll Never Walk Alone" from "Carousel" by Richard Rodgers and Oscar Hammerstein, II. Approximately 25 members of the chorus, under the direction of L. Robert Snyder, with Mrs. J. Robert Sell as piano accompanist, participated in the program. For being chosen as one of the winners by three prominent Baltimoreans acting as judges, the chorus received an award a Bulova wristwatch, valued at \$71.50.

"Star Discovery Time" is produced by Bert Claster with Bill Dyer acting as master of ceremonies. The chorus was well received by the television audience, according to the telephone response which followed immediately after the program. All local residents lauded the chorus for its accomplishments, as many television fans in this vicinity were on hand to witness the production. The "singers" made their initial appearance on television Thursday evening, but their second appearance will follow on Thursday, November 8, when the semi-finals will take place.

**AT LIBRARY CONFAB**  
Mrs. Oren H. Wilson, library assistant at the Adams County Free library, will return today from Bedford Springs where she attended the three-day conference of the Pennsylvania Library association.

R. R. Starnes, first vice president, presided at the meeting. The next session will be held November 23 at the YWCA.

## Women Of Moose Collect Christmas Gifts

It's Christmas in October for the Women of the Moose. The local chapter of the Women of the Moose recently celebrated "Christmas" with a tree and gifts. The program was held in October because the gifts go to the children at Mooseheart, orphan home of the Moose, and to older folks at Moosehaven, Fla., and must be collected and sent early to insure Christmas delivery. Shown in the picture (left to right) are Lillian Murray, Moosehaven chairman; Mary Lazos, Mooseheart chairman, and Marie Keller, senior regent of the local chapter. The "Christmas party" was held Tuesday night at the Moose home, York street.

## Allies Refuse To Give Further Consideration To Red Armistice Zone; 8 Russian Migs Destroyed

U. S. Eighth Army Headquarters, Korea, Oct. 27 (AP)—Eight Russian-made MIGs were damaged today in a thunderous jet plane dogfight over northwest Korea as they failed to stop an Allied bomb strike on bridge and rail lines.

It was the seventh straight day the Communist jets whooshed out of their Manchurian sanctuary to challenge the air might of the United Nations in the Korean war.

On the ground, Communist night assaults in the east and west were repulsed in fierce fighting. In the center of the battle line Allied infantrymen slogged forward and secured a key hill mass southeast of Kumsong, battered onetime Communist stronghold.

## All Jets Are Safe

In the latest air battle Allied pilots for the first time in months had an edge in numbers. The 112 Allied jets and eight Okinawa based B-29s were challenged by 105 MIGs over Sinanju.

The Fifth Air Force said all jet planes returned to their bases. Far East headquarters in Tokyo announced that one B-29 landed with battle damage at a Korean air base. The air force said the medium bombers had to fight their way through "a heavy and determined" attack by the MIGs to reach their target—a rail bridge at Sinanju.

## Bombers Have Escort

The 1,930-foot span is a key link in the Red's north-south supply route. It was cut in five places 11 days ago but the Communists already had put it back in operation. Results of the strike were not announced.

The bombers were escorted by F-86 Sabre jets, F-84 Thunderjets and Australian piloted Meteors.

The 64 Thunderjets in the attack reported they damaged six enemy planes. The 32 Sabre jets claimed one damaged. The 16 Meteors accounted for the other damaged MIG.

During the night two Communist battalion size attacks were stopped northwest of Yangu on the eastern front, the Eighth Army communiqué said.

## Here And There News Collected At Random

**The fly and mosquito nuisance** is about as bad today in Gettysburg as it has ever been. The millions of flies that have invaded this community during the past month indicate that the number of breeding places must have increased two or three-fold.

Local "old-timers" declare they never saw so many flies and mosquitoes as we have today, and have had for a month or more.

"The fly nuisance is terrible," a dozen or more residents reported to this reporter this week. "It is beyond anything we have ever experienced in Gettysburg."

**Wives of Ford Motor company** employees are going to share more than 1,000 corner-cutting housekeeping ideas published in a new book prepared for distribution to the home of every Ford employee.

The wives — along with mothers, sisters and daughters — are the actual authors of the book.

For four years the Rouge News, a weekly newspaper for Ford employees with a circulation of 90,000 has been publishing a column called "Cutting Corners." Women readers of the paper have sent in successful ideas that range from how to remove stains to how to clean old paint brushes.

The best of the suggestions have been edited into the 24-page booklet, which is indexed under such headings as cleaning, stains, laundry, ironing, cooking, sewing, painting, gardening, holidays, and "odds 'n' ends." Initial distribution of the book to Ford workers required a printing in excess of 135,000. The book is being published by the Employee Information Section of the Industrial Relations Central Staff. No attempt will be made to supply the general public with copies.

**PICKED UP BY SHERIFF**  
Jack Chamberlain, 34, Gettysburg R. 4, was taken into custody Friday night in Hanover by Sheriff Dorsey J. Schultz as a parole violator. Chamberlain, who was sentenced to from six months to a year in jail on a larceny charge last July, was placed on parole for one year in September. When he failed to report before the probation officer at dates set under the parole, a warrant for his arrest as a parole violator was sent to the sheriff.

Just received a shipment of 20-piece maternity dresses, sizes 18-20. Thompson's Ladies' Ready-To-Wear, Carlisle street.

Munsan, Korea, Oct. 27 (AP)—The United Nations today made it "perfectly clear" to the Communists that their proposed Korean armistice buffer zone cannot be considered "any further."

The official U. N. spokesman said the Allied proposal for a line generally along the present battlefront was "not a flat take it or leave it position." The U. N. is ready to make minor refinements or modifications.

The U. N. Allies have "gained by combat a buffer or cushion that is necessary for protection" of U. N. troops and they will not give up this hard won ground as the Red offer would force them to do, said Brig. Gen. William P. Nuckols, official U. N. spokesman.

## Make No Progress

Subcommittees of the main truce delegations met for three and one-half hours in Panmunjon Saturday without "any tangible progress."

Before them were new Communist and Allied cease-fire line proposals. The Allies want to establish the buffer zone mostly in North Korea along the present battle line.

The rejected Communist proposal called for United Nations withdrawals as much as 15 miles, and Nuckols said, "tend to leave U. N. forces in an exposed position and therefore exposed to a certain threat."

Nuckols said the U. N. suggestion was "a realistic one" and added "There is no fat on this proposal that can be trimmed off by compromise."

## Will Meet Tonight

He said Maj. Gen. Henry I. Hodges, a subcommittee delegate, made it "perfectly clear" that the U. N. command cannot consider the Red proposal for a cease-fire line "any further."

The subcommittees will meet again tomorrow at 11 a.m. (9 p.m. Saturday EST) in an attempt to solve differences on the actual line of contact between the opposing armies.

Hodges spelled out the U. N. views on where the contact line was as of Friday midnight. The Communists agreed in principle but found "certain discrepancies."

Willingness of the Communists to discuss a line of contact indicated the Reds were prepared to listen further to what the U. N. had to say about a cease-fire line.

## MT. OLIVET TO MARK BIRTHDAY

Mt. Olivet Evangelical and Reformed church at "Two Churches," near Bermudian, will observe its 20th year of continuous service Sunday with a Rally Day program and home-coming service. The congregation is the oldest Reformed church in Adams county. It was founded in 1745.

The church will hold a bazaar Friday and Saturday, December 7 and 8, sponsored by the Mite society and the Loyal Sons and Daughters class. A public luncheon will be served Saturday. Girl Scout and Brownie troops will attend church in a body at Zwingle church Sunday evening.

The Willing Workers' class of St. John's church will hold a public turkey supper in the parish hall November 17. The Mite society of Zwingle church will present Charles Ness, York, and his "Pennsylvania Dutch, No. 3," motion picture at the church Wednesday evening, November 28, for the benefit of the church's home for the aged at Hagerstown.

## PROMOTED IN KOREA

Milford A. Knox, son of A. V. Knox, Steinhewer avenue, was promoted recently to the grade of sergeant first class while fighting with the Second Infantry Division in Korea.

Milford, a veteran of 13 years service, is serving with the 15th Field Artillery Battalion. He joined the "Indianhead" division in Korea in February, 1951.

## Ritchie To Become Army Installation

Camp Ritchie, which has been named to civilians for more than a year because of special construction work by the Army, will be transformed into a permanent Army installation on November 1 and take on the name of Fort Ritchie, it was announced in Washington, D. C., Friday. It will be under command of the 2nd Army, whose headquarters are at Fort Meade.

The exact future purpose of the establishment, which will remain named to civilians, is still not announced, further than to state that it will be a "supplemental communications center." The need for a well-protected communications system, preferably underground, not too far from Washington, for immediate replacement of existing army telephone, telegraph and radio facilities, was demonstrated by the successful results of World War II bombing operations against like facilities in Germany and Japan.

## Auxiliary Officers Of USWV Meet Tonight

Officers of the auxiliary of the United Spanish War Veterans, Department of Pennsylvania, will meet at the Hotel Gettysburg this evening to make plans for the auxiliary's 1952 convention to be held in conjunction with the state USWV meeting in Gettysburg in June.

## Littlestown HOLD FAREWELL FOR REV. JAMES

A surprise farewell party was tendered to the Rev. and Mrs. Kenneth D. James and son, Kenneth S. James, on Thursday evening at 8 o'clock in the social room of St. John's Lutheran church. The affair was arranged by the Ladies' Aid society, the Brotherhood and the Sunday school of the church, for approximately 250 members and friends of the church in attendance. The members of the Littlestown Ministerium and their wives were guests for the party.

The program which was presided over by Mrs. Malcolm I. Heiser, chairman of the committee on arrangements, opened with the group singing "A Friendly Road." The scripture lesson was read by Mrs. Heiser, after which prayer was offered by the pastor, the Rev. Mr. James. Vocal solos, "My Cathedral," and "When You Come to The End of a Perfect Day" were sung by Gary Streivig, accompanied on the piano by Miss Evelyn Harget, Mrs. Edgar A. Wolfe presented two readings entitled "My White Rose" and "When The Minister Comes to Tea." A selection, "Just a Closer Walk with Thee," was sung by Susan and Joyce Streivig, accompanied by Miss Evelyn Harget. Remarks were made by George W. Streivig, president of the Brotherhood, who paid tribute to the pastor and also presented a short history of the Brotherhood, which was organized during the pastorate of the Rev. Mr. James. The group then sang "Ivory Palaces," followed with a duet, "Halls of Ivy," sung by Miss Brenda Hess and Miss Evelyn Harget, with Mrs. Jay D. Basenior serving as pianist.

Farewell remarks were presented by Paul E. King, general superintendent of the Sunday school, on behalf of the Sunday school. Members of the Ministerium, of which the Rev. Mr. James served as president, the Rev. G. Howard Koons, and the Rev. Charles B. Rebert spoke to those in attendance. The selection, "In My Heart There Rings A Melody," was sung by those present. Mrs. Wilson Greene, representing the Mothers' Sunday school class which Mrs. James taught, presented to Mrs. James a lovely set of earrings and pin in the "Forget-Me-Not" design. Fred W. King presented to the Rev. and Mrs. James and son, Kenneth, on behalf of the Ladies' Aid society, the Brotherhood and the Sunday school, a solid mahogany nest of tables and a huge basket of chrysanthemums. The pastor accepted these gifts and expressed gratitude of all present on behalf of his family. The program closed with the group singing "God Be with You"; repeating the Lord's prayer in unison and the benediction by the pastor.

To Move November 1

Immediately following the program, refreshments were served buffet style to the 250 in attendance. A period of fellowship was then enjoyed. The refreshment table was decorated with baskets of yellow and bronze pompons. The refreshments were served by Mrs. W. E. Stites. Mrs. Edwin L. Harget, Mrs. Edgar H. DeGroff, Mrs. Ralph Wanz, assisted by Ralph Wanz and Paul O. Hawk. Assisting Mrs. Heiser on the committee on arrangements were Mrs. Dallas Shriver, Mrs. Edwin L. Harget, Mrs. William J. Lippy, Mrs. Edgar H. DeGroff, Mrs. W. E. Stites, Oliver Erb, Ralph Wanz and Paul O. Hawk. The Rev. Mr. James and his family will move to Glen Rock on November 1, where Rev. James will assume his duties as pastor of the Glen Rock Lutheran church.

Prior to the farewell party at St. John's church on Thursday evening, the October meeting of the Ladies' Aid society was held at the church. The meeting opened with a song service, followed with a reading read respectively by the group with Mrs. Dallas Shriver as leader. Prayer was offered by Mrs. William J. Lippy. The business session was held in charge of Mrs. Shriver. The birthday of one member was noted, Mrs. Lillie Shroyok. One new member was received on Thursday, Mr. Harold Bowman. The following were elected to serve as hostesses at the next meeting, Mrs. Elmo D. Jones, Mrs. Sylvester Rickode and Mrs. Lewis Lippy. The meeting was closed with the group repeating the Lord's Prayer in unison. The next session of the society will be held Thursday, November 29, 7:30 p.m., at the church.

Fraternat Order of Eagles, Littlestown Aerie No. 2226 will entertain the members of the Eagles softball team, the directors and players of the Littlestown baseball team, to a dinner on Monday evening. A seafood dinner will be served in the grill room of the Eagles home, West King street. On Friday evening, the local Aerie treated the members of the Littlestown Junior high and the senior high football teams immediately after the Friday contests last night on Memorial field. At the regular weekly meeting of Aerie No. 2226, held on Thursday evening at the Eagles home, a contribution of \$25 was voted to the Littlestown Group of the Warner Hospital Auxiliary in response to the request for funds for the benefit of the new air pressure tank recently installed in the hospital nursery.

## Ritchie To Become Army Installation

Camp Ritchie, which has been banned to civilians for more than a year because of special construction work by the Army, will be transformed into a permanent Army installation on November 1 and take on the name of Fort Ritchie, it was announced in Washington, D. C., Friday. It will be under command of the 2nd Army, whose headquarters are at Fort Meade.

The exact future purpose of the establishment, which will remain banned to civilians, is still not announced, further than to state that it will be a "supplemental communications center." The need for a well-protected communications system, preferably underground, for immediate replacement of existing army telephone, telegraph and radio facilities, was demonstrated by the successful results of World War II bombing operations against like fixtures in Germany and Japan.

# GHS Win Streak Stopped As Trojans Rally To Gain Thrilling 20-20 Deadlock

A six-game winning streak of the Gettysburg high school football team came to an end Friday night when a fighting Chambersburg outfit tallied two touchdowns in the last period to tie the Warriors 20-20 in a spine-tangling South Penn. contest at Chambersburg before a capacity crowd of 5,000 fans.

Twice the Warriors built up 13-point margins but in each instance could not hold their advantage. Gettysburg was unable to cope with a spread pass formation employed by the Trojans which ultimately was to bring about the deadlock.

**Still Title Contenders**  
Despite the tie, the Warriors are still in a commanding position for the conference title. They face Hershey and Mechanicsburg here in that order and victories would mean at least a deadlock and possible championship.

Gettysburg failed to capitalize on a break shortly after the opening whistle when Wayne Tonsel recovered a Trojan fumble on the Chambersburg 23. Aided by an off-side penalty against the Warriors, Chambersburg held firm and took over on the 20.

Near the end of the first period Chambersburg took over on its 25 via a punt by Williams and rolled up three straight first downs on the ball-toting of Tolbert and Burns but yielded the ball to Gettysburg on downs on the Warriors' 33 early in the second period.

**Heyser Scores on Pass**  
A beautiful punt by Bill Williams that rolled dead on the Chambersburg 1-yard line put the Trojans in hot water midway in the quarter and opened the way for the Warriors' first tally. Butler booted out to Bobby Miller who returned to the Trojan 37. Tonsel picked up four yards on the next play and then Fisel lateralized to Williams who heaved an aerial to Bill Heyser who was alone on the 15 from where he raced over after 5:12 minutes. Bill Knox's placement boot was blocked by Stanley Teal.

After about eight minutes of play in the second quarter Kump recovered a lateral for Chambersburg on the Gettysburg 35.

**Cleveland Races 64**  
On the next play Bill Heyser broke through to knock an attempted pass by Tolbert from his hands which flew into the waiting hands of Clyde Cleveland who, with plenty of protection, raced 64 yards to score. Knox kicked the point.

Chambersburg struck back with lightning swiftness with three straight aerials on the spread formation. Butler returned the kickoff to his own 40. Butler tossed to Burns to put the ball on the Gettysburg 31. Another aerial, Butler to Tolbert, put the ball on the 9. The same combination clicked again with Tolbert taking the ball in the end zone. Butler booted the point to make the score 13-7 and the half ended shortly afterwards.

The Warriors moved 69 yards for their final touchdown after receiving the third period kickoff, Tonsel returning to his 31. Aided by a 15-yard clipping penalty against the Trojans, Gettysburg got a first down on the Chambersburg 48. Miller and Williams picked up six yards before Fisel connected with Harriel on an aerial for the first down on the 22.

Williams hit center for 2 yards before Miller lost five at right end. A Fisel-Cleveland pass was good for 10 yards and then Gettysburg got another break when an off-side penalty against Chambersburg was good for a first down on the six. Bobby Miller got two yards at right tackle and then Ronnie Miller swept around left end to score standing up. Knox made the score 20-7 with a perfect placement.

**Trojans Finish Fast**  
Late in the third period Chambersburg took over on its 15 on a punt and started an uninterrupted march that the Warriors were powerless to halt. Paced by Butler and Burns, the Trojans reeled off five straight first downs to reach the locals' 7. Read and Tolbert got two yards each before Burns went through right tackle to tally after 5:37 of the final stanza. Butler converted to bring the count to 20-14.

**—MORE—**  
With but 3:40 minutes remaining Chambersburg gained possession after Williams booted to the Trojan 42 and then came the hair-raising finish.

Passes from Butler to Davis and Read put the ball on the 28. Another pass, Butler to Red Walter on the 5, produced the tying points as he went over from that spot. With the game hanging on the point try, Butler's boot was wide by barely a foot.

The game ended shortly with Gettysburg in possession near midfield. Chambersburg accounted for 13 first downs while the Warriors racked up seven.

## 'BOLT JR. HI DOWNS CANNERS FOR 4TH WIN

The undefeated Littlestown Junior high school football team won its fourth straight victory Friday night by noosing out Biglerville 7-0 in a well-played game played as a preliminary to the Littlestown-Kennard Dale varsity contest at Littlestown Friday evening.

In the final period G. Gouker tallied the only touchdown of the game when he smacked through center from the three-yard line. Kump swept around end for the bonus point.

Both teams played nice games. Kump and J. C. Kress turned in some pretty runs for the winners while Roe and Mayher ran well for Biglerville. The game marked the conclusion of a three-game season for the Cannons who lost all.

Littlestown rolled up nine first downs to six for Biglerville. Biglerville completed two passes, had two intercepted while six went incomplete. The Bolts did not throw a single pass.

## U. S. TEAM WINS SHOW TROPHY

**Harrisburg, Pa., Oct. 27 (AP)**—The United States receives one of the Pennsylvania National Horse show's two highest awards tonight but faces stiff competition in its attempt for the other trophy.

The U. S. team will be presented with the President's trophy—symbolic of low-score supremacy in international jumping—just before it competes for the international challenge trophy at the week-long show's finale.

The Americans clinched the low-score competition yesterday for the second straight year as they won the third and final event of the three-day competition. The U. S. had an aggregate score of 24½ faults for the three events to runner-up Canada's 36 and Ireland's 41½. Brazil had a total of 79½, while Mexico withdrew after collecting 97 faults in the first two jumps.

Tonight's final jump for the challenge trophy is considered almost equal in value to the low-score title. The course consists of 10 five-foot hurdles—one of the toughest layouts of indoor jumping. Mexico has won two of the three previous challenge trophy jumps in the past years with Ireland taking the third.

**NO INQUEST**  
**Harrisburg, Oct. 27 (AP)**—Dauphin County Coroner S. J. Roberts said today there will be no inquest into the death of Miss Lucille Daniel unless later developments indicate murder. "We don't do much with suicides," Roberts said as a police investigation entered its third day.

The body of Miss Daniel, 46, was found Thursday in the Susquehanna river here after the Harrisburg woman had been missing for more than a week.

# OLD AGE ENDS LOUIS CAREER WITH "KAYO"

**By MURRAY ROSE**  
New York, Oct. 27 (AP)—Joe Louis is through. Boxing has a new idol today in Rocky Marciano.

It's the old story of the ring. Youth must be served.  
At 2:36 of the eighth round in Madison Square Garden last night, the old Brown Bomber was stretched on his back on the apron of the ring in a pathetic finish to one of the most fabulous stories in all sports.

Today 27-year-old Rocky, a one-time soldier, showworker and ditch-digger with little more than three years of professional fighting behind him, was the toast of the town, the man of the hour.

**Gets Shot At Charles**  
The big brass of the International Boxing club will sit down today with Rocky, born Rocco Marchegiano on September 1, 1924, and discuss future plans for the new young tiger of the ring.

He'll be offered a shot at Ezzard Charles, the ex-champion, for February or March and a possible title shot with Jersey Joe Walcott next summer.

For Louis an old man of the ring at 37½ years, it's the end of the long trail—a trail that began 17 years ago and brought him to the world's heavyweight championship and ring earnings of more than \$4,500,000. Now the road turns in another direction.

It was only the third loss in Joe's 71-bout career and the second knockout. He was kayoed in 12 by Max Schmeling in 1936.

**Biggest Payday**  
For his victory, Marciano collected his biggest payday, about \$44,000. Louis received about \$132,000. Rocky got 15 percent of the net gate and of the \$185,000 radio-TV receipts. Louis got 45 percent.

Joe said he'd wait until Monday to make a decision about his fighting future.

"I don't want to make a hasty decision," he said through puffed lips in his dressing room.

He doesn't have to say it though. The crowd of 17,241 (gross gate \$152,845) in the Garden and the 50,000,000 or more others who watched via a coast-to-coast telecast know the answer.

Now the talk is all Rocky, the new wow of boxing, the hit of television. Thirty-eight fights, thirty-eight victories, 33 knockouts, almost a carbon copy of the string hung up by the once-magnificent Brown Bomber.

**Page from Louis' Book**  
And Rocky tore a page out of Louis' book in writing finish to it. He belted the balding Joe with rights to the kidneys to take the drive out of his legs. He rushed him until the Bomber was befuddled and he finished him with the fury of the old Louis.

Leading on the scorecards of all three officials going into the eighth round, the swarthy, 27-year-old Brockton (Mass.) better tore out of his corner with the advice of trainer Charley Goldman ringing in his ears.

"Get him now," He did.

**Boxing**  
New York—Rocky Marciano, 187, Brockton, Mass., knocked out former heavyweight champ, Joe Louis, 212½, Detroit, in 2:36 of the eighth round of their scheduled ten round fight at Madison Square Garden.

**Basketball**  
New York—Three former University of Kentucky basketball players—Alex Groza, Ralph Beard and Dale Barnstable—today pleaded innocent to an indictment charging them with fixing the 1949 Kentucky-Loyola game in Madison Square Garden.

**Baseball**  
Los Angeles—The Pacific Coast league named three-man committee to continue negotiations with major leagues toward revising the player draft law.

# Indicted Players Go Free On Bail

The three unfrocked players were indicted yesterday on charges of fixing the March 14, 1949, game against Loyola of Chicago. They were also charged with conspiracy covering Kentucky's 1948-49 scheduled game.

The players pleaded innocent and were released on \$1,000 bail each. Five alleged fixers also were indicted and released on bail ranging from \$2,500 to \$10,000.

Groza, Beard and Barnstable are specifically charged with shaving points in the National Invitational tournament game against Loyola in Madison Square Garden. Loyola scored an upset, 67-56 victory that snapped the Wildcats' 21-game victory streak. Groza allegedly received \$1,000 and Barnstable and Beard \$500 each for shaving the point spread. Kentucky was a 10 to 12 point favorite.

The victory marked the third in eight starts for Coach Clay Evans' outfit who were observing Mothers' Night. Following the contest a parade was held in the lower county town.

Littlestown rolled up 11 first downs to its opponents' five, completed three of nine passes to one of nine by Kennard-Dale.

Next Saturday the Thunderbolts play at Dallastown.

Littlestown high school's gridders tallied touchdowns in the second and fourth periods to gain a 12-0 victory over Kennard-Dale of Stewarstown in a Ladrel conference game played Friday night on the Thunderbolts' gridiron.

A 30-yard pass, Reynolds to Koontz, produced the first Littlestown tally while an off-tackle scamper by Reynolds in the final period brought the second touchdown. Both kicks for the extra point failed.

The victory marked the third in eight starts for Coach Clay Evans' outfit who were observing Mothers' Night. Following the contest a parade was held in the lower county town.

Littlestown rolled up 11 first downs to its opponents' five, completed three of nine passes to one of nine by Kennard-Dale.

Next Saturday the Thunderbolts play at Dallastown.

# Bullet Soccer Team Nears Loop Title

Gettysburg college's undefeated soccer team moved a notch closer to the Middle Atlantic championship when it defeated Bucknell 4-2 on the local field Friday for its fourth win as against a tie.

In the opening period the Bullets scored on a goal by Hank McElmoyle. Bucknell tied the score quickly on a goal by Kober. Goals by Roger Bray and a third period kick by George Haeoos led the game for the winners.

Next Tuesday the Bullets meet Franklin and Marshall at Lancaster.

## TEMPLE DOWNS B. U. 20 TO 13

(By The Associated Press)  
Temple racked up its fifth straight victory and the Oklahoma Aggies thumped Detroit last night as these two former gridiron powers moved back toward the top drawer of 1951 listings.

The Owls from Philadelphia upset Boston university 20-13 before 10,000 in Temple stadium, with Ed Charters running for two touchdowns and a spectacular 77-yard pass and run play, Paul McKernan to Bob Daniels, supplying the clincher.

Charters, injured in the opening game against Syracuse—Temple's only loss this season—sparked the surging Owl rally. He punched the first TD across from the one, and romped 43 yards for the second. Boston U's Harry Aganins passed for one of his team's scores and set up the other with a pass in 55 minutes of action.

Out in Detroit rangy Don Babers passed for two Oklahoma touchdowns and scored the third. Two Oklahoma tallies, and Detroit's lone score—a 68-yard kickoff return by Ed Shelton—came in the action packed fourth quarter.

**Albright Is Beaten**  
In another Pennsylvania game, Lebanon Valley barely got by Albright 7-6. Lou Sorrentino passing to Fred Samples for a second period TD which, with George Cardones' placement, settled the game. Albright scored in the third period but the try for point was wide.

At Waynesburg, Roger Bradford kicked two field goals and ran 20 yards for a touchdown to lead Waynesburg college to a 26-0 over St. Francis. West Chester Teachers outscored Millersville 41-21 for their 23rd straight win at home and 18th in succession over teachers college opponents.

At Miami, the Miami university Hurricanes ran wild in the second half for a 20-7 win over Mississippi. Miami's passing attack was the big weapon, accounting for two touchdowns. Jim Dooley was the Miami defensive ace, grabbing one Mississippi pass and a fumble and twice coming through with tackles when he was the only man between the Mississippi ball carrier and the goal line.

## STEVENS TRADE TOPS "B" TEAM

Jim Lentz's Gettysburg college "B" football team dropped a 13-0 decision to Stevens Trade school Friday afternoon at Lancaster.

The tradesmen scored a six-pointer in the first period on a long pass. The final touchdown came in the last quarter when a blocked Gettysburg punt gave the host team the ball on the Gettysburg 14-foot mark from where a plunge brought the score. The extra point conversion produced the final point.

The young Bullets made no serious scoring threat during the game.

Included on the Gettysburg squad were the following: Ends, Boyd, Lowry, Nackle, Spicer; tackles, Finnegan, Beaver, Williams, Sokalski; guards, McMullan and Hanson; centers, Hoffman and Burke; backs, Bolland, Hess, Marino, Hickoff, McMillen, Oberkehr, Robinson and Moarty.

# GHS Win Streak Stopped As Trojans Rally To Gain Thrilling 20-20 Deadlock

A six-game winning streak of the Gettysburg high school football team came to an end Friday night when a fighting Chambersburg outfit tallied two touchdowns in the last period to tie the Warriors 20-20 in a spine-tingling South Penn contest at Chambersburg before a capacity crowd of 5,000 fans.

Twice the Warriors built up 13-point margins but in each instance could not hold their advantage. Gettysburg was unable to cope with a spread pass formation employed by the Trojans which ultimately was to bring about the deadlock.

## Still Title Contenders

Despite the tie, the Warriors are still in a commanding position for the conference title. They face Hershey and Mechanicsburg here in that order and victories would mean at least a deadlock and possible championship.

Gettysburg failed to capitalize on a break shortly after the opening whistle when Wayne Tonsel recovered a Trojan fumble on the Chambersburg 23. Aided by an off-side penalty against the Warriors, Chambersburg held firm and took over on the 20.

Near the end of the first period Chambersburg took over on its 25 via a punt by Williams and rolled up three straight first downs on the ball-toting of Tolbert and Burns but yielded the ball to Gettysburg on downs on the Warriors' 33 early in the second period.

## Heyser Scores on Pass

A beautiful punt by Bill Williams that rolled dead on the Chambersburg 1-yard line put the Trojans in hot water midway in the quarter and opened the way for the Warriors' first tally. Butler booted out to Bobby Miller who returned to the Trojan 37. Tonsel picked up four yards on the next play and then Fisel lateralized to Williams who heaved an aerial to Bill Heyser who was alone on the 15 from where he raced over after 5:12 minutes. Bill Knox's placement boot was blocked by Stanley Teal.

After about eight minutes of play in the second quarter Kump recovered a lateral for Chambersburg on the Gettysburg 35.

## Cleveland Races 64

On the next play Bill Heyser broke through to knock an attempt back by Tolbert from his hands which flew into the waiting hands of Clyde Cleveland who, with plenty of protection, raced 64 yards to score. Knox kicked the point.

Chambersburg struck back with lightning swiftness with three straight aerials on the spread formation. Butler returned the kickoff to his own 40. Butler tossed to Burns to put the ball on the Gettysburg 31. Another aerial, Butler to Tolbert, put the ball on the 9. The same combination clicked again with Tolbert taking the ball in the end zone. Butler booted the point to make the score 13-7 and the half ended shortly afterwards.

The Warriors moved 69 yards for their final touchdown after receiving the third period kickoff, Tonsel returning to his 31. Aided by a 15-yard clipping penalty against the Trojans, Gettysburg got a first down on the Chambersburg 48. Miller and Williams picked up six yards before Fisel connected with Harriel on an aerial for the first down on the 23.

Williams hit center for 2 yards before Miller lost five at right end. A Fisel-Harriel pass was good for 10 yards and then Gettysburg got another break when an off-side penalty against Chambersburg was good for a first down on the six. Bobby Miller got two yards at right tackle and then Ronnie Miller swept around left end to score standing up. Knox made the score 20-7 with a perfect placement.

## Trojans Finish Fast

Late in the third period Chambersburg took over on its 15 on a punt and started an uninterrupted march that the Warriors were powerless to halt. Paced by Butler and Burns, the Trojans reeled off five straight first downs to reach the locals' 7. Reid and Tolbert got two yards each before Burns went through right tackle to tally after 5:37 of the final stanza. Butler converted to bring the count to 20-14.

## MORE—

With but 3:40 minutes remaining Chambersburg gained possession after Williams booted to the Trojan 42 and then came the hair-raising finish.

Passes from Butler to Davis and Reid put the ball on the 28. Another pass, Butler to Red Walter on the 5, produced the tying points as he went over from that spot. With the game hanging on the point try, Butler's boot was wide by barely a foot.

The game ended shortly with Gettysburg in possession near midfield. Chambersburg accounted for 13 first downs while the Warriors racked up seven.

# 'BOLT JR. HI DOWNS CANNERS FOR 4TH WIN

The undefeated Littlestown Junior high school football team won its fourth straight victory Friday night by nosing out Biglerville 7-0 in a well-played game played as a preliminary to the Littlestown-Kennard Dale varsity contest at Littlestown Friday evening.

In the final period G. Goucker tallied the only touchdown of the game when he smashed through center from the three-yard line. Kump swept around end for the bonus point.

Both teams played nice games. Kump and J. C. Kress turned in some pretty runs for the winners while Roe and Mayher ran well for Biglerville. The game marked the conclusion of a three-game season for the Cannons who lost all.

Littlestown rolled up nine first downs to six for Biglerville. Biglerville completed two passes, had two intercepted while six went incomplete. The 'Bolts did not throw a single pass.

# U. S. TEAM WINS SHOW TROPHY

Harrisburg, Pa., Oct. 27 (AP) — The United States receives one of the Pennsylvania National Horse show's two highest awards tonight but faces stiff competition in its attempt for the other trophy.

The new U.S. team will be presented with the President's trophy—symbolic of low-score supremacy in international jumping—just before it competes for the international challenge trophy at the week-long show's finale.

The Americans clinched the low-score competition yesterday for the second straight year as they won the third and final event of the three-day competition. The U.S. had an aggregate score of 24½ faults for the three events to runner-up Canada's 36 and Ireland's 41½. Brazil had a total of 79½ while Mexico withdrew after collecting 97 faults in the first two jumps.

Tonight's final jump for the challenge trophy is considered almost equal in value to the low-score title. The course consists of 10 five-foot hurdles—one of the toughest layouts of indoor jumping. Mexico has won two of the three previous challenge trophy jumps in the past years with Ireland taking the third.

## NO INQUEST

Harrisburg, Oct. 27 (AP) — Dauphin County Coroner S. J. Roberts said today there will be no inquest into the death of Miss Lucille Daniel unless later developments indicate murder. "We don't do much with suicides," Roberts said as a police investigation entered its third day. The body of Miss Daniel, 46, was found Thursday in the Susquehanna river here after the Harrisburg woman had been missing for more than a week.

# OLD AGE ENDS LOUIS CAREER WITH "KAYO"

## By MURRAY ROSE

New York, Oct. 27 (AP)—Joe Louis is through. Boxing has a new idol today in Rocky Marciano.

It's the old story of the ring. Youth must be served.

At 2:36 of the eighth round in Madison Square Garden last night, the old Brown Bomber was stretched on his back on the apron of the ring in a pathetic finish to one of the most fabulous stories in all sports.

Today 27-year-old Rocky, a one-time soldier, shoemaker and ditch-digger with little more than three years of professional fighting behind him, was the toast of the town, the man of the hour.

## Gets Shot At Charles

The big brass of the International Boxing club will sit down today with Rocky, born Rocco Marchegiano on September 1, 1924, and discuss future plans for the new young tiger of the ring.

He'll be offered a shot at Ezzard Charles, the ex-champion, for February or March and a possible title shot with Jersey Joe Walcott next summer.

For Louis an old man of the ring at 37½ years, it's the end of the long trail—a trail that began 17 years ago and brought him to the world's heavyweight championship and ring earnings of more than \$4,500,000. Now the road turns in another direction.

It was only the third loss in Joe's 71-bout career and the second knockout. He was kayoed in 12 by Max Schmeling in 1936.

## Biggest Payday

For his victory, Marciano collected his biggest payday, about \$44,000. Louis received about \$132,000. Rocky got 15 percent of the net gate and of the \$185,000 radio-TV receipts. Louis got 45 percent.

Joe said he'd wait until Monday to make a decision about his fighting future.

"I don't want to make a hasty decision," he said through puffed lips in his dressing room.

He doesn't have to say it though. The crowd of 17,241 (gross gate \$152,845) in the Garden and the 50,000,000 or more others who watched via a coast-to-coast telecast knew the answer.

Now the talk is all Rocky, the new wow of boxing, the hit of television. Thirty-eight fights, thirty-eight victories, 33 knockouts, almost a carbon copy of the string hung up by the once-magnificent Brown Bomber.

## Page from Louis' Book

And Rocky tore a page out of Louis' book in writing finish to it. He belted the balding Joe with rights to the kidneys to take the drive out of his legs, he rushed him until the Bomber was befuddled and he finished him with the fury of the old Louis.

Leading on the scorecards of all three officials going into the eighth round, the swarthy, 27-year-old Brockton (Mass.) better tore out of his corner with the advice of trainer Charley Goldman ringing in his ears.

"Get him now."

He did.

## Humble Ending

The St. Bonaventure football team was playing the Quantic Marines last week and 155-pound Jim McKenna was playing his head off as defensive halfback in a losing cause.

Late in the game McKenna came up fast, figuring he would bowl over the lead interferer and tackle the Marine ball carrier.

The lead man was Weldon Humble, 228-pound former guard of the Cleveland Browns, and when McKenna ran into that moving mass, Jim found himself flat on his back.

"Son," said Humble as he gently helped the lad to his feet, "you'll have to hit me harder than that to knock me over."

## THE WEAK END

Since the Missouri players and coaches decided not to shave until they won a football game, the gagsters have been having a big time.

At a service club meeting the other day, Coach Don Faurot was introduced as "Robinson Crusoe" and Scout John Simmons as "his man Friday." . . . What don does is more men Saturday.

# Indicted Players Go Free On Bail

New York, Oct. 27 (AP)—Ralph Beard, Alex Groza, and Dale Barnstable, former University of Kentucky basketball stars, are free on bail today after pleading innocent on charges of fixing a 1949 tournament game.

The three unfranked players were indicted yesterday on charges of fixing the March 14, 1949, game against Loyola of Chicago. They were also charged with conspiracy covering Kentucky's 1948-49 schedule.

The players pleaded innocent and were released on \$1,000 bail each. Five alleged fixers also were indicted and released on bail ranging from \$2,500 to \$10,000.

Groza, Beard and Barnstable are specifically charged with shaving points in the National Invitational tournament game against Loyola in Madison Square Garden. Loyola scored an upset, 67-56 victory that snapped the Wildcats' 21-game victory streak. Groza allegedly received \$1,000 and Barnstable and Beard \$500 each for shaving the point spread. Kentucky was a 10 to 12 point favorite.

### KNOW WHAT YOU WANT

I believe that one of the surest reasons why so many fail to get what they want is because they do not know what they want. They have only a vague idea before their minds and so do nothing, getting nowhere. People who know exactly what they want pursue that objective getting nearer and nearer to it day by day. Often it is just around the corner but usually it is a long way from attainment, which is a very good thing for then there can be enjoyment and learning acquired all along the way. Experience is something quite costly at times but its value increases with the years.

Every successful business or institution has had an objective toward which to strive at its inception. Things do not just happen overnight. They have to be born, fed, nurtured, and tended through many a difficult time. It is a familiar story and a fascinating one, for every success is an inspiration to others and an invitation to follow in its path.

Know what you want in life. Then pursue that path through thick and thin. Always be an adventurer into ideas. Keep trying to know more. Keep alert. Improve upon the ideas and efforts to others. Bosses, Kettering, of General Motors, says that there are more opportunities for young men now than ever before. There is no time in which there cannot be improvements made, or discovered.

With one increasing purpose ever before us it is amazing how much can be accomplished and how many dreams can be made to come true. Vision is one of man's greatest assets. The young person who knows that he wants to be an engineer, lawyer, physician, teacher or legislator is already upon his path to that objective. Knowing what you want is one's first step to success.

Every time any of us try something out we learn. And we learn how to avoid many a pitfall. We also learn to walk right past many a failure and then forget about it. None of us should forget that life's greatest thrills come from adventuring!

October 30—New moon

With the nation's defense plans for the civilian population, members of the Adams County Federation of Women's clubs heard a message brought by Mrs. Anna DePlanter, Boxes chief of the Department of Nutrition, Harrisburg, at its autumn meeting Wednesday afternoon at the YWCA.

The meeting was attended by about 75 members of the three members of the Women's club of Gettysburg, the Women's Community club of Littlestown, and the Trinity club of the Upper County communities. The new president Mrs. Richard A. Brown extended a welcome to the group.

Tea was served at the close of the meeting by the hostess committee which included Mrs. Mark K. Ecker, Mrs. John D. Lipp, Jr. Mrs. A. B. Park, Mrs. S. Gray Buzham and Mrs. Richard C. Wilton. Mrs. Sabi and Mrs. Brown presided at the tea.

The members were then guests of Mr. and Mrs. John D. Lipp, Jr. who lived in the Dobbin House.

**Historians in Gettysburg from Convention:** A luncheon early Saturday afternoon at the Seminar featured a two-hour tour of the battlefield brought to a close by a meeting of the Pennsylvania Historical Association which opened here Friday at noon.

Dr. J. Morgan Kousser, one of the speakers, read three papers from his book of poetry, "The Battle of Gettysburg."

**Troop Observes Girl Scout Week:** The Carlisle Girl Scouts of St. James Lutheran church attended Sunday morning services at St. James as part of the observance of Girl Scout Week.

Carter, executive president of the senior class, the patrol leaders in the theme group are Peggy Ridgman, Linda Lower and Janet Thompson.

Mrs. William Ridgner is the troop leader and the assistant leaders are Mr. Fred Brison, Mrs. Violet Hill, Rosalia Cromer, Mrs. Eugene Welty and Betty Lou Saylor.

### SOCIETY MARKS ITS 25TH YEAR

The 25th anniversary of the Abigail Kammerer Missionary society of St. Paul's Lutheran church was observed when a celebration was held Thursday evening at the church. An original skit entitled "Let Us Observe Our Twenty-Fifth," written by Mrs. Carl H. Baumgardner, was the feature of the celebration program. The skit portrayed a meeting of the committee on arrangements for the program at the anniversary celebration and the following participated: Mrs. Baumgardner, Mrs. Mahlon Bucher, president of the society, who portrayed that role, Mrs. Charles E. Ritter, Mrs. H. Dean Sover, Mrs. Milton Harner, Mrs. Edwin W. Elder, Jr., Mrs. J. Donald Lemmon, Mrs. John H. Riley, Mrs. George Schaefer and Mrs. Robert Mayers. The skit opened with prayer offered by Mrs. Bucher, followed with singing by the group, with Mrs. Elder as piano accompanist. A quartet composed of Mrs. Elder, Mrs. Lemmon, Mrs. Riley and Mrs. Schaefer entertained with several selections. A poem, "My Little Brown Brother," was read by Mrs. Baumgardner, after which Bible verses were read by the members in attendance. The skit closed with a group prayer led by Mrs. David S. Kammerer, a song by the group, and a trumpet solo by Mrs. Mayers, to her own accompaniment.

Miss Vivian Brumgard, York Springs, one of the charter members who was present, spoke briefly, reviewing some of the early days of the society and recalled important occasions during the first year. Prayer for the United Nations was offered by Mrs. Sover. Mrs. Schaefer reminisced on a Halloween party held by the society during the first year of her membership. A financial and statistical report was given by Mrs. Sover, the treasurer, which covered the entire 25 years. An offering was received which will be included in the annual missionary thank offering.

The program closed with an impressive candlelighting ceremony conducted by Mrs. Baumgardner. The first candle represented foreign missions and was lighted by Mrs. John E. Stambaugh, the charter president of the society, the second candle for the home missions was lighted by Mrs. Mahlon Bucher, the president of the society now, the third candle to represent all other missionary societies of the church was lighted by Mrs. Holman L. Sell, guest representative of the Frances Segner missionary society of the church, candles were then presented to each member, a circle was formed and the group sang "Let the Lower Lights Be Burning" and the missionary benediction was repeated in unison, to conclude the ceremony.

### Start with Supper

The celebration began with a covered dish supper in the social room, at 6:30 o'clock with 33 in attendance. The invocation was offered by the pastor, the Rev. David S. Kammerer, and a welcome was extended to present and past members by Mrs. Bucher, the president. The society was organized by Mrs. David S. Kammerer in 1926 and was named for her. Mrs. Kammerer introduced all of those present. The presentation of gifts included a silver tablespoon for Mrs. Kammerer from Miss Vivian Brumgard. The monthly guess package was also contributed by Miss Brumgard and was received by Mrs. Baumgardner. Mrs. Stambaugh and Mrs. Bucher, both charter and present members were presented with the table bouquets of fall flowers, which were arranged and decorated to the group by John C. Byers, East King street. The program then followed in the Adult Sunday school room.

Charter members in attendance included Catherine Straley, Stambaugh, Kathryn Pickering, Hahn, Louise Crouse Ritter and Catherine Burzoon Kump, of town, Vivian Brumgard, York Springs, Rebecca Snyder, Early and Myrtle Riley, Manches, Hanover, Marjanna Lau, Conover, Westminster, and Doris Bucher, Fickinger, Union Mills.

Others present were Mrs. Baumgardner, Mrs. Elder, Mrs. Bucher, Mrs. Rhet, Mrs. Sover, Mrs. Lemmon, Mrs. Schaefer, Mrs. Harner, Mrs. Mayers, Mrs. Robert C. Gouker, Mrs. James H. Souda, Mrs. L. Robert Snyder, Mrs. Claude Miller, Mrs. Paul Mayers, Mrs. Charles F. Rabenstein, Mrs. G. Richard Knipke, Mrs. Harry G. Ekdahl, Mrs. Maynard E. Barnhart, Jr., Mrs. Robert B. Wareheim, Mrs. Holman L. Sell, representing the Frances Segner society, Mrs. Dorcas Rae, and Mrs. J. D. Lipp, representing the Young Women's Missionary society and the pastor the Rev. David S. Kammerer. The next regular meeting of the society will be held on Wednesday, November 27, 7:30 p.m. at the church.

The annual fall party at which all prizes are turkeys will be held in St. Aloysius parish hall on Saturday evening, November 17, 8:15 p.m. The party is sponsored jointly by the Holy Name society and St. Aloysius Parish Council of Catholic Women of the church. Mason and Dixon Memorial Post No. 6954, Veterans of Foreign Wars will sponsor a Halloween party for the children of the community on Monday evening. Children up to the eighth grade in school are invited to attend at 5:30 p.m. the children will enjoy a movie at the Towne theatre, after which refreshments will be served in the rear of the VFW hall, West King street.

REG. U. S. PAT. OFF.  
BY FREDERICK C. RUSSELL  
Member S.E.E.

The bill collector is one fellow who knows a lot of motorists who never spent a cent on repairs.

### Fatigue Factor High

Motorists who complain of fatigue when driving modern cars over modern roads should not feel that they needed the services of a psychiatrist because engineers are on record as believing that handling a car today is extremely tiring. Much of this is due to plain hypnotism. That regular rhythm of the windshield wipers are a case in point. So is the steady thump of cross ridges in concrete roads. A too smooth running motor will lull you to sleep if you are not careful to change speed frequently.

One engineer tells me that many drivers take hold of the roof rail with the left hand because they are unconsciously tired of the vibration at the steering wheel. Many drivers are quite aware of the vibration felt through the right front on the accelerator pedal. Another fatigue factor is the bench type of seat cushion used for American cars. Bucket type seats are not so pleasing to the eye but they are a comfort factor which will have to be considered more seriously. Safety advocates are frankly disturbed about curved glass and reflections. I understand that the windshield of a car should start just the reverse of the way we have it. That is the bottom should be nearer the driver than is the top.

### Plain Sign of Trouble

In checking over the generator of your car take a look at the inside of the cover band which snaps over the commutator. If there are deposits of solder here one of several things may be wrong with the generator or its control system, including poor grounds and connections and a too high charging rate. This is one of those definite symptoms of trouble which leave no room for doubt. The generator needs to be taken off and given the benefit of skilled attention.

### Three To Remember

Excessive carbon deposits affect cars with hydraulic valve lifters by causing a rise in operating temperature. This usually thins down the oil.

Motor "ping" that cannot be explained by incorrect timing, overheating, carbon or low octane gasoline may be due to a rough spot on the inside of the cylinder head.

Anti-freeze doesn't retain its rust-inhibiting properties. New rust inhibitor can be added to old solution, but it is not good practice to use the old solution.

### Mechanic Joe Speaking

"Having made some errors myself in a lifetime of playing doctor to ailing automobiles I am quite ready to admit that there are certain troubles which can be traced directly to carelessness in service work. Typical are over-tightening front wheel bearings and cutting down brake drums so that they are so thin they easily warp all over again.

"There were times I tried to do certain repair jobs and adjustments when the temperature wasn't right. Brakes, for example should be at room temperature when being checked. I remember hurried cleaning and adjusting of spark plugs without using new sockets. One of these leaked oil sucked up into the particular cylinder and fouled its plug. The owner came back with a lumping motor next day."

### Reasoning Went Wrong

One of the sad things about car ownership is faulty reasoning, for it can lead to some serious blunders in diagnosis. I was thinking of this when an owner recently wrote me regarding the rough running of the engine in his car. He believed this was entirely due to the ignition system, and offered as proof the fact

that he did not get any roughness whenever he switched off the ignition. Actually, with the ignition off a lot of mechanical troubles with a motor actually disappear. The engine is being turned over by the momentum of the car and there is little pressure on the bearings and pistons from the combustion chambers.

### The Motor Primer

That ammeter on the instrument panel of your car doesn't give the actual output of the car's generator, but simply serves as a guide to let you know whether the electrical system is remaining in balance. Its pointer will show a higher than normal charging rate when the battery is low, and will often cut down or show discharge when you think the reverse should be the case. It is not a matter of what you happen to think with regard to the system but of what it needs based upon its own requirements. The generator's control system is amazingly self-contained and automatic even though it does go wrong quite often. One of the best signs of normalcy is the battery. If it stays charged everything usually is in good condition.

### Another Spot For Wax

If the upholstery is of leather you can preserve it by giving it a light waxing now and again. The wax should be applied with a soft cloth dampened. Do small areas at a time and rub dry with another soft cloth. Leather that has seen a lot of use and which hasn't been protected with wax should be cleaned with saddle soap. This will not only clean but soften it.

In defense of the carburetor many observers have from time to time pointed out that this is one unit of the car which should not be tampered with until all other possible causes of engine misbehavior have been checked over. Now comes a very helpful letter from an experienced mechanic whose conscience is sorely troubled because car owners demand that his firm replace so many carburetors that are doing a fine job. Because it is reasonably easy to replace the carburetor this has become the latest obsession. The decision to replace the carburetor is too often made by the car owner, he points out and without giving the carburetor man a chance to clean the old carburetor, reset the float level or check the jets. Many mechanics know the new carburetor they are installing won't help matters at all but are powerless.

### SOCIETY MARKS ITS 25TH YEAR

The 25th anniversary of the Abigail Kammerer Missionary society of St. Paul's Lutheran church was observed when a celebration was held Thursday evening at the church. An original skit entitled "Let Us Observe Our Twenty-Fifth," written by Mrs. Carl H. Baumgardner, was the feature of the celebration program. The skit portrayed a meeting of the committee on arrangements for the program at the anniversary celebration and the following participated: Mrs. Baumgardner, Mrs. Mahlon Bucher, president of the society, who portrayed that role; Mrs. Charles E. Ritter, Mrs. H. Dean Stover, Mrs. Milton Harner, Mrs. Edwin W. Elder, Jr., Mrs. J. Donald Lemmon, Mrs. John H. Riley, Mrs. George Schaefer and Mrs. Robert Mayers. The skit opened with prayer offered by Mrs. Bucher, followed with singing by the group, with Mrs. Elder as piano accompanist. A quartet composed of Mrs. Elder, Mrs. Lemmon, Mrs. Riley and Mrs. Schaefer entertained with several selections. A poem, "My Little Brown Brother," was read by Mrs. Baumgardner, after which Bible verses were read by the members in attendance. The skit closed with a group prayer led by Mrs. David S. Kammerer, a song by the group, and a trumpet solo by Mrs. Mayers, to her own accompaniment.

Miss Vivian Brumgard, York Springs, one of the charter members who was present, spoke briefly reviewing some of the early days of the society and recalled important occasions during the first year. Prayer for the United Nations was offered by Mrs. Stover. Mrs. Schaefer reminisced on a Halloween party held by the society during the first year of her membership. A financial and statistical report was given by Mrs. Stover, the treasurer, which covered the entire 25 years. An offering was received which will be included in the annual missionary thank offering.

The program closed with an impressive candlelighting ceremony conducted by Mrs. Baumgardner. The first candle represented foreign missions and was lighted by Mrs. John E. Stambaugh, the charter president of the society; the second candle for the home missions was lighted by Mrs. Mahlon Bucher, the president of the society now; the third candle to represent all other missionary societies of the church was lighted by Mrs. Holman L. Sell, guest representative of the Frances Segner missionary society of the church; candles were then presented to each member, a circle was formed and the group sang "Let the Lower Lights Be Burning" and the missionary benediction was repeated in unison, to conclude the ceremony.

### Start with Supper

The celebration began with a covered dish supper in the social room, at 6:30 o'clock, with 33 in attendance. The invocation was offered by the pastor, the Rev. David S. Kammerer, and a welcome was extended to present and past members by Mrs. Bucher, the president. The society was organized by Mrs. David S. Kammerer in 1926 and was named for her. Mrs. Kammerer introduced all of those present. The presentation of gifts included a silver tablespoon for Mrs. Kammerer from Miss Vivian Brumgard. The monthly guess package was also contributed by Miss Brumgard and was received by Mrs. Baumgardner. Mrs. Stambaugh and Mrs. Bucher, both charter and present members, were presented with the table bouquets of fall flowers, which were arranged and donated to the group by John C. Byers, East King street. The program then followed in the Adult Sunday school room.

Charter members in attendance included: Catherine Straley Stambaugh, Kathryn Flickinger Hahn, Louise Crouse Ritter and Catherine Burgoon Kump, of town; Vivian N. Brumgard, York Springs; Rebecca Snyder Ealy and Myrtle Riley Manthey, Hanover; Marianna Lau Conover, Westminster, and Dorothy Bucher Flickinger, Union Mills. Others present were Mrs. Baumgardner, Mrs. Elder, Mrs. Bucher, Mrs. Riley, Mrs. Stover, Mrs. Lemmon, Mrs. Schaefer, Mrs. Harner, Mrs. Mayers, Mrs. Robert C. Gouker, Mrs. James H. Spalding, Mrs. L. Robert Snyder, Mrs. Claude Miller, Mrs. Paul Mayers, Mrs. Charles E. Rabenstine, Mrs. G. Richard Knipple, Mrs. Harry G. Ekdahl, Mrs. Maynard E. Barnhart, Jr., Mrs. Robert B. Wareheim, Mrs. Holman L. Sell, representing the Frances Segner society; Miss Dolores Rae Reindollar, representing the Young Women's Missionary society, and the pastor, the Rev. David S. Kammerer. The next regular meeting of the society will be held on Wednesday, November 27, 7:30 p.m., at the church.

The annual fall party, at which all prizes are turkeys, will be held in St. Aloysius parish hall on Saturday evening, November 17, 8:15 p.m. The party is sponsored jointly by the Holy Name society and St. Aloysius Parish Council of Catholic Women, of the church.

Mason and Dixon Memorial Post No. 6954, Veterans of Foreign Wars, will sponsor a Halloween party for the children of the community on Monday evening. Children up to the eighth grade in school are invited to attend. At 5:30 p.m., the children will enjoy a movie at the Towne theatre, after which refreshments will be served in the rear of the VFW home, West King street.

The bill collector is one fellow who knows a lot of motorists who never spent a cent on repairs.

### Fatigue Factor High

Motorists who complain of fatigue when driving modern cars over modern roads should not feel that they needed the services of a psychiatrist because engineers are on record as believing that handling a car today is extremely tiring. Much of this is due to plain hypnotism. That regular rhythm of the windshield wipers are a case in point. So is the steady thump of cross ridges in concrete roads. A too smooth running motor will lull you to sleep if you are not careful to change speed frequently.

One engineer tells me that many drivers take hold of the roof rail with the left hand because they are unconsciously tired of the vibration at the steering wheel. Many drivers are quite aware of the vibration felt through the right front on the accelerator pedal. Another fatigue factor is the bench type of seat cushion used for American cars. Bucket type seats are not so pleasing to the eye but they are a comfort factor which will have to be considered more seriously. Safety advocates are frankly disturbed about curved glass and reflections. I understand that the windshield of a car should slant just the reverse of the way we have it. That is the bottom should be nearer the driver than is the top.

### Plain Sign of Trouble

In checking over the generator of your car take a look at the inside of the cover band which snaps over the commutator. If there are deposits of solder here one of several things may be wrong with the generator or its control system, including poor grounds and connections and a too high charging rate. This is one of those definite symptoms of trouble which leave no room for doubt. The generator needs to be taken off and given the benefit of skilled attention.

### Three To Remember

Excessive carbon deposits affect cars with hydraulic valve lifters by causing a rise in operating temperature. This usually thins down the oil.

Motor "ping" that cannot be explained by incorrect timing, overheating, carbon or low octane gasoline may be due to a rough spot on the inside of the cylinder head. Anti-freeze doesn't retain its rust inhibiting properties. New rust inhibitors can be added to old solution, but it is not good practice to use the old solution.

### Mechanic Joe Speaking

"Having made some errors myself in a lifetime of playing doctor to ailing automobiles I am quite ready to admit that there are certain troubles which can be traced directly to carelessness in service work. Typical are over-tightening front wheel bearings and cutting down brake drums so that they are so thin they easily warp all over again.

"There were times I tried to do certain repair jobs and adjustments when the temperature wasn't right. Brakes, for example, should be at room temperature when being checked. I remember hurried cleaning and adjusting of spark plugs without using new gaskets. One of these leaked. Oil sucked up into the particular cylinder and fouled its plug. The owner came back with a limping motor next day."

### Reasoning Went Wrong

One of the sad things about car ownership is faulty reasoning, for it can lead to some serious blunders in diagnosis. I was thinking of this when an owner recently wrote me regarding the rough running of the engine in his car. He believed this was entirely due to the ignition system, and offered as proof the fact

that he did not get any roughness whenever he switched off the ignition. Actually, with the ignition off a lot of mechanical troubles with a motor actually disappear. The engine is being turned over by the momentum of the car and there is little pressure on the bearings and pistons from the combustion chambers.

### The Motor Primer

That ammeter on the instrument panel of your car doesn't give the actual output of the car's generator, but simply serves as a guide to let you know whether the electrical system is remaining in balance. Its pointer will show a higher than normal charging rate when the battery is low, and will often cut down or show discharge when you think the reverse should be the case. It is not a matter of what you happen to think with regard to the system but of what it needs based upon its own requirements. The generator's control system is amazingly self-contained and automatic even though it does go wrong quite often. One of the best signs of normalcy is the battery. If it stays charged everything usually is in good condition.

### Another Spot For Wax

If the upholstery is of leather you can preserve it by giving it a light waxing now and again. The wax should be applied with a soft cloth dampened. Do small areas at a time and rub dry with another soft cloth. Leather that has seen a lot of use and which hasn't been protected with wax should be cleaned with saddle soap. This will not only clean but soften it.

In defense of the carburetor many observers have from time to time pointed out that this is one unit of the car which should not be tampered with until all other possible causes of engine misbehavior have been checked over. Now comes a very helpful letter from an experienced mechanic whose conscience is sorely troubled because car owners demand that his firm replace so many carburetors that are doing a fine job. Because it is reasonably easy to replace the carburetor this has become the latest obsession. The decision to replace the carburetor is too often made by the car owner, he points out, and without giving the carburetor man a chance to clean the old carburetor, reset the float level or check the jets. Many mechanics know the new carburetor they are installing won't help matters at all but are power-

less to do other than follow instructions.

### How Do They Feel?

Some car troubles can be detected by the simple process of feeling suspected parts. Classic is the discovery of a blocked-out section of a radiator core by its low temperature as compared with other parts of the core. Then there is discovery of a leather edge on a front tire by rubbing the palm of one's hand over the tread. This indicates misalignment. If the generator armature is rough, you can plainly feel this by placing your hand on the generator housing while the motor is idling. Watch out for the fan!

### It's A Motor Question

Q. The ammeter on my car continues to show a high charging rate even though the battery is fully charged. Will this affect the battery, and should I have the regulator adjusted? H. L. M.

A. This will need some checking, but you get this continued charging if the battery happens to be hot.

Q. When installing a new set of tires should the old wheel balance weights be removed? Wm. L. F.

A. Better start from scratch and balance the new tires with their wheels.

Q. There is a vibrating type of current regulator on my car. How do I adjust the cut-in voltage from the generator? G. N.

A. Bend the bi-metal "in" to raise voltage, "out" to lower it. But remember this is work for an expert.

Q. What would cause my car to buck or kick when slowing down to around ten miles an hour? There

a plateau. Near the intersection of this road with the York Springs-Cross Keys road men were tramping, with live pigeons springing from the boxes. Cross the Cross Keys road, and look sharply for the next road to the left, past the old Menallen meeting house and the grave of Gen. Gardner. Down a grade almost hidden in the trees is another covered bridge. Keep north-east in the direction of Pond Town mill, and at the dead end, look left. Here is one of the oldest bridges in the country, a three-arch stone structure. Take the turn to the right, on 01009 to 01043 and turn

# MEN'S CHORUS

(Continued from Page 1)  
place on "Star Discovery Time" for the semi-finals, the chorus will probably repeat the selection "You'll Never Walk Alone."

Mrs. Alvin J. Groat, Littlestown R. 1. was hostess to a Halloween party held in conjunction with the semi-monthly meeting on Tuesday evening. Sixteen members and seven guests were present in costume for the affair. As an entertainment feature the group took a walk through St. John's cemetery, near town. The last of the members in costume to be identified were Mrs. Allen Epley and Mrs. Vernon Straley. Games were played and refreshments were served to the group by the hostess committee composed of Mrs. Groat, Mrs. Fred W. King and Mrs. Dale W. Stary. The next meeting of the Homemakers will be held Tuesday, November 13, 7:30 p.m., at the home of Mrs. Walter P. Crouse, Littlestown R. 1. The program will consist of a demonstration on desserts by Mrs. Crouse and Mrs. William J. Lippy.

The members of the Christian Endeavor society of St. Paul's Lutheran church will enjoy a Halloween party this evening at 7:30 o'clock in the social hall of the church, which will be decorated for the occasion. Games will be played and refresh-

# York Springs

York Springs — The local Girl Scout committee met Monday evening at the home of Mrs. Thomas Pyles near Gardners.

Improvement is reported in the condition of Mrs. Charles M. Boyer, who was quite ill at home last week after having been stricken suddenly. Mrs. Boyer has not been very well for some time, following a hip fracture which confined her to her room for months.

Mr. and Mrs. Robert Lusk, formerly of this section, who had lived for a time near East Berlin, have moved back to York Springs R. D. because of the recent death of Mrs. Lusk's mother, Mrs. Mary Gladys Miller, several weeks ago.

Mr. and Mrs. Robert Hall and young son, Rodney Smith, have returned to their home at Prince Frederick, Md., after a short visit to their parents, Mr. and Mrs. Edgar J. Smith, R. 2. Mrs. Hall was formerly Miss T. Ruth Smith.

Women of the local Lutheran charge are preparing to put their handwork on sale for the benefit of the church at a bazaar Saturday, November 10, at the community fire hall. Small toys for the children will also be obtainable in a "fish pond" which is to be a feature of the bazaar.

Members will be served in keeping with the Halloween season.

place on "Star Discovery Time." For the semi-finals, the chorus will probably repeat the selection "You'll Never Walk Alone."  
Mrs. Alvin J. Groat, Littlestown R. 1, was hostess to the Littlestown Homemakers for a Halloween party held in conjunction with the semi-monthly meeting on Tuesday evening. Sixteen members and seven guests were present in costume for the affair. As an entertainment feature the group took a walk through St. John's cemetery, near town. The list of the members in costume to be identified were Mrs. Allen Epley and Mrs. Vernon Straley. Games were played and refreshments were served to the group by the hostess committee composed of Mrs. Groat, Mrs. Fred W. King and Mrs. Dale W. Starry. The next meeting of the Homemakers will be held Tuesday, November 13, 7:30 p.m., at the home of Mrs. Walter F. Crouse, Littlestown R. 1. The program will consist of a demonstration on desserts by Mrs. Crouse and Mrs. William J. Lippy.  
The members of the Christian Endeavor society of St. Paul's Lutheran church will enjoy a Halloween party this evening at 7:30 o'clock in the social hall of the church, which will be decorated for the occasion. Games will be played, and refresh-

## York Springs

York Springs — The local Girl Scout committee met Monday evening at the home of Mrs. Thomas Pyles near Gardens.  
Improvement is reported in the condition of Mrs. Charles M. Boyer, who was quite ill at home last week after having been stricken suddenly. Mrs. Boyer has not been very well for some time, following a hip fracture which confined her to her room for months.  
Mr. and Mrs. Robert Lusk, formerly of this section, who had lived for a time near East Berlin, have moved back to York Springs R. D., because of the recent death of Mrs. Lusk's mother, Mrs. Mary Gladys Miller, several weeks ago.  
Mr. and Mrs. Robert Hall and young son, Rodney Smith, have returned to their home at Prince Frederick, Md., after a short visit to their parents, Mr. and Mrs. Edgar J. Smith, R. 2. Mrs. Hall was formerly Miss T. Ruth Smith.  
Women of the local Lutheran charge are preparing to put their handwork on sale for the benefit of the church at a bazaar Saturday, November 10, at the community fire hall. Small toys for the children will also be obtainable in a "fish pond" which is to be a feature of the bazaar.  
Members will be served in keeping with the Halloween season.
